ABOUT ME

I am a fresher and a BCA student in last year sem 5 with basic knowledge of computers and programming. I am currently focused on learning new technologies and developing practical skills. I am seeking a or internship opportunity to gain real-world experience while continuing my studies.

SKILLS

- Programming: Python
- Database: MySQL
- Libraries/Tools: Tkinter, SpeechRecognition, Pyttsx3, yt-dlp
- Office & Productivity: MS Word, MS Excel
- Other: Computer Knowledge, Data Entry, Internet & Email Handling

PROJECTS

Weather App - Python

- Built a user-friendly weather application using Python and Tkinter with live weather data from OpenWeatherMap API.
- Integrated API key authentication to securely fetch real-time weather information.
- Designed a simple interface where users can enter a city and view current weather details.

Carax Voice Assistant - Python

- Developed a voice-controlled personal assistant using Python with speech recognition and text-to-speech capabilities.
- Implemented voice command processing to open websites such as Google, YouTube, GitHub, LinkedIn, ChatGPT, and Stack Overflow.
- Integrated YouTube search and video playback using yt-dlp and the YouTube IFrame API.
- Added Google, YouTube, and Amazon search functionality through voice commands.
- Used SpeechRecognition, Pyttsx3, SoundDevice, Webbrowser, and HTTP Server libraries to handle voice input, responses, web automation, and local content playback.

EDUCATION

Bachelor of Computer Applications (BCA)
Bhusawal Arts, Science & P.O. Nahata Commerce College, Bhusawal
North Maharashtra University
Currently Pursuing

Higher Secondary Certificate (HSC - 12th)
P.O. Nahata Commerce College, Bhusawal
Maharashtra State Board
Year of Passing: 2024
